

AWARENESS REPORTING

DISPLAY

RECAP THE REASON FOR THE CAMPAIGN

THE CAMPAIGN GOAL

- Increase brand awareness by delivering the advertiser's message to the target audience and finding more of their audience using general tactics and optimization algorithms.

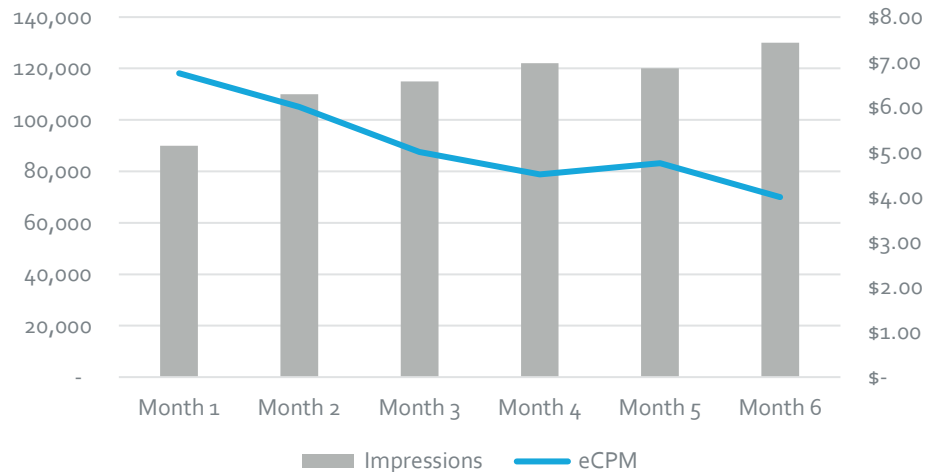

THE AUDIENCE & PLAN

- Highlight the targeted audience and targeting methods used to reach that audience.

SHOWCASE RELEVANT METRICS

AWARENESS METRICS

- Total Number of Impressions
- eCPM (Average Cost per Thousand)

USE THE DATA TO TELL A STORY

TIE DATA BACK TO THE BUSINESS

- Explain the numbers as it relates to the advertiser. Identify ways the campaign exposure grew over time and discuss ways it increased business.

SHOW TRENDS OVER TIME

- Compare current data points to previous months. Show how campaign optimizations capitalized on wins and overcame losses.
